  - f) Any and all rights of appeal of this Consent Order;
  - g) Any objection to the fact that this Consent Order will be presented to the Department for consideration and review;
  - h) Any objection to the fact that it will be necessary for the Department to become acquainted with all evidence pertaining to this matter in order to adequately review this Consent Order;
  - i) Any objection to the fact that potential bias against the Respondent may occur as a result of the presentation of this Consent Order to the Department.
- 5) This Consent Order shall become a part of the public record of this proceeding once it is accepted by all parties.

- 6) Acceptance by the Respondent and approval by the Department of this Consent Order constitutes an admission of the facts contained herein.
- 7) Failure to comply with the Consent Order, once signed and accepted, shall subject the Respondent to further disciplinary action.
- 8) That the Department shall grant the application for relicensure filed by Respondent provided, however, Respondent shall serve at least a sixty (60) month period of probation subject to the terms and conditions set forth in this Consent Order.
- 9) That said probationary period shall commence upon execution of the Consent Order and will abate for the duration of any period in which Respondent ceases to be employed and/or performs volunteer services as an Emergency Medical Technician.
- 10) That Respondent has been evaluated by Walter D. Fitzhugh, III, M.D., and shall adhere to any treatment plan recommended by that agency.
- 11) That Respondent shall commence and continue such counseling and/or treatment as Walter D. Fitzhugh, III, M.D. deems appropriate.

The Department reserves the right to take appropriate licensure action should Respondent be charged with a crime in any jurisdiction.
- 15) That during the period of probation should Respondent fail to comply with the provisions of Chapter 23-4.1 and/or the "Rules and Regulations Relating to Emergency Medical Services", or any of the terms of this Consent Order, the Department shall initiate appropriate action with respect to Respondent's licensure status.
